

# BEST START

*Best Start aims to support parents and carers of young children with developmental delay or disability, right from the start of navigating and accessing early childhood and/or intervention services for their child under 7 years old.*

*Best Start is offered to families in the Nepean and Blue Mountains area.*

We will connect with families over several sessions to provide individualised support which may include:

- Identifying your areas of concern
- Understanding developmental milestones and promoting child development
- Connecting over the phone or at a setting local and friendly to the family
- Exploring services and resources in community needed to support children with a developmental delay or disability.
- Mapping out the way forward and sharing in the walk alongside families.

**To make an enquiry or register a request for support through BEST START:  
contact our office at Hazelbrook on 47589966**

OR

**complete the Request for Support Form on the reverse of this flyer and  
email to: [connect@connectcfs.org.au](mailto:connect@connectcfs.org.au)**

**The Best Start Project is a free service, funded by Connect Child and Family Services**

Connect Child and Family Services supports families and carers to build the pathways or bridges in our community to enable growth and capacities of family units and our community.
