Activities for 0-5 year olds and their parents and carers

Connect Child and Family Services runs groups for 0-5 year olds and their parents or carers throughout the mountains.

Connect staff provide a relaxed, welcoming environment where you and your children can make new friends, play, be creative and have fun. Please contact Connect on 47591462 or visit www.connectcfs.org.au if you would like more information about these groups or about other services we offer to families.

Covid 19 regulations mean changes happen from time to time to how our services run so please ring us for an update.
